ADVANCES IN UNDERSTANDING AND TREATING ADOLESCENTS WITH BORDERLINE PERSONALITY DISORDER

Saturday
May 17, 2014
8:30 a.m. – 6:00 p.m.

A CME Program presented
by Weill Medical College
of Cornell University

Location: Uris Auditorium
Weill Medical College
of Cornell University
1300 York Ave.,
NY, NY 10065

STATEMENT OF NEED

Clinicians and researchers should be updated on the latest understanding of normal and abnormal development in assessing and treating Borderline Personality Disorder in Adolescents.

TARGET AUDIENCES

This conference hosted by the Personality Disorders Institute of New York Presbyterian Hospital, Weill Cornell Medical College, Department of Psychiatry, brings together international experts to discuss advances in different treatment approaches for Adolescent BPD as well as models of A-BPD in terms of neurobiology, attachment, developmental psychopathology, and object relations.

COURSE GOAL AND OBJECTIVES

At the conclusion of this program, participants should:

- Acquire important knowledge of the neurobiology of the adolescent brain.
- Recognize developmental and attachment contributions to psychopathology in adolescents.
- Acquire new skills in assessment with a semi-structured instrument that facilitates assessment of psychopathology in adolescents.
- Be able to apply integrated overview of the pathways to psychopathology in adolescents and indications for treatment.
- Be able to apply an object relations approach to BPD in adolescents from a theoretical and technical perspective.

FACULTY DISCLOSURE

It is the policy of Weill Cornell Medical College to adhere to ACCME Criteria, Policies, and Standards for Commercial Support and content validation in order to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored activities. All speakers, Course Directors, Co-Course Directors, planners, reviewers, and staff members participating in sponsored activities are expected to disclose relevant financial relationships pertaining to their contribution to the activity. Relationship information is analyzed to determine whether conflicts of interest exist. All conflicts of interest are resolved prior to participation in the planning or implementation of this activity. Presenters and authors are also expected to disclose any discussion of (1) off-label or investigational uses of FDA approved commercial products or devices or (2) products or devices not yet approved in the United States. WCMC CME activities are intended to be evidence-based and free of commercial bias. If you have any concerns, please call the Office of Continuing Medical Education at 212-746-2631 to anonymously express them.

ACCREDITATION

Weill Cornell Medical College is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Weill Cornell Medical College designates this live activity for a maximum of 8.5 AMA PRA Category 1 Credit(s)[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CORNELL UNIVERSITY

Joan and Sanford I. Weill Medical College

Saturday, May 17, 2014

Course Director: Otto F. Kernberg, M.D.

Conference Coordinator: Jill C. Delaney, LCSW

CONFERENCE PROGRAM

- 8:00 – 8:30 Registration and coffee
8:30 – 8:45 Welcome – Jack D. Barchas, M.D.
8:45 – 9:00 Opening Remarks – Otto F. Kernberg, M.D.

UNDERSTANDING BPD IN ADOLESCENTS

- 9:00 – 9:45 *The Adolescent Brain and Risk for Psychopathology.* BJ Casey, Ph.D.
